

PRODUCT SPECIFICATION.

ENFORCER.

320250 ▶

Description: 150mm lace and zip-up ankle boot with padded collar and tongue.

Upper Materials: Premium pathogen and water resistant fullgrain waxy leather, helps to repel bacteria and stop nasty bugs from multiplying. Agion® lining with anti-microbial resistance to improve hygiene and contains anti-fungal properties.

Toe Cap: Non Safety.

Lining Materials: Agion® lining with anti-microbial resistance to improve hygiene, contains anti-fungal properties and reduces foot odour.

Full Innersole: A full length footbed that is inserted into the footwear to offer additional support and comfort. This footbed is made from soft polyurethane that will retain its shape and thickness throughout the life of the boot.

Insole: Heavy-duty, flexible anti-bacterial non-woven insole.

Midsole: Directly moulded Polyurethane midsole for greater shock absorption.

Outsole: Oil and acid resistant nitrile rubber outsole, which is heat resistant to 300°C (572°F).

Trisole™ Comfort Technology Soling System: The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON® as energy absorbing pads under the the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.
